

## Badger® 5

Our Badger® 5 model provides offers a heavy duty motor and space-saving compact design.

InSinkErator Badger® food waste disposers are a reliable and functional choice when affordability is the prime concern. Choose from three models, each with a space-saving compact design.

[If you prefer a higher level of grind performance, and significantly quieter operation, check out the Evolution™ Series Disposers.](#)

With an InSinkErator® food waste disposer in your kitchen, chicken bones, fruit rinds, coffee grounds and more can go right in the sink -- where they're virtually liquefied to safely flow into your sewage system or septic tank. You'll enjoy a cleaner food preparation area, and less bagged garbage cluttering your home.

What's more, if you've never owned a food waste disposer, you're in for a pleasant surprise. InSinkErator® disposers are economical to operate: in fact, they're among the least expensive installed kitchen appliances.
